# MY PERSONAL COVID STORY

**02.26.2021.** got a Sinopharm vaccine

**02.27.2021.** (next day) I felt the symptoms of COVID, the covid test was positive, got the american BAMLANIVIMAB medicine, went to quarantine for 10 days, soon recovered

**04.28.** Doctors advice: start again the vaccination from the beginning, got the first SPUTNIK-V vaccine

**05.19.** got the second SPUTNIK-V vaccine

**10.18.** got a Pfizer booster vaccine

**I'M STILL ALIVE!!!**
