Робота в Угорщині

- Even before the conflict, Ukrainian citizens were able to take up work in Hungary in an easier way: permit without labor market examination based upon a simple notification in 128 professions.
- After February 24, 2022, in case of employment of Ukrainians employers can receive a maximum of 50% support for housing and travel costs.

The role of the capital and county government offices in providing humanitarian aid for Ukrainian citizens fleeing from the war

- conclusion of agreements with the accommodation providers and employers, and administration of their subsidy requests;
- administration of the subsidy requests of the local authorities providing shelter for the refugees;
- forwarding the application for the recognition of a person with asylum status submitted in the Government Windows (integrated customer service offices).
